Day 3 of travel Segment
0600 Octov 16 - Snow 26°F high 11° low
travelling to High Moon from arch castle.
We have left Symbria. At 1507 I notice
a group following the party dressed in camo
- at least 3 of them. I whisper what I see
to the group, 200 yards behind. Pully stops the
wagon. The scouts come back to the wagon

We set up an ambush for our stalkers

Bingo Boom + Shekalaka fall for
the verbal ambush from Thrush & Garrick
They think we are cool heroes and the party
+ wagon return. Going to meet Booms
brother Bargain. We deal with them to
watch our six on our way - they are
chaos gnomes. We travel two more
hours and set camp. The gnomes netting
is magical + substitutes as a hammock
over night

4am during Pully's watch. A howl
shoots out in the night as a 12' long black
panther bites bristlecone. Pully spots it.
There is a supernatural aura... Garrick's
dogs are overcome with fear. Everyone
woke up. Spectral Panther → knowledge
fast 40' weaker bite 5' reach fear aura
spectral, incorporeal, good hiders... Garrick's
dogs arise w/ Garrick. Thrush rolls out
of his hammock. Vern pulls out a spectral
