

The Inn

Employees, expenditures, and income.

The S.C.R.E.W.O.F.F.S. (a party of adventurers based in Whillip) originally purchased a Tavern/Inn on the 4th of Marcav, 1003. Ownership of that Inn was transferred to another adventuring group (The H.A.L.L.O.W.ed Knights; also based in Whillip) in Octov of 1003. The party/adventurers occupy rooms on the 3rd floor, and use part of the basement to store various items. Aside from using the Inn as a place of residence/headquarters for their adventuring company, they operate the Inn to generate additional income. They've hired a manager to run the Inn, and have set up a separate bank account for all financial matters related to the operation of the Inn.
