
LAST WILL AND TESTAMENT

Junta 10, 1008

Avylynn

Lady of the Light, Member of the Xterminators

New Temple of Light, Whillip, Sembia

Fellow adventurers and friends;

I, Avylynn, a current member of the Xterminators, assert that in the event of my demise and unsuccessful resurrection, a third of what I own in wealth and possessions, shall be given to Count Fironstra and his family. The second third shall be given to the priests at the local parish, The Beacon, in Whillip. My fellow Xterminators shall inherit the final third to cover the expenses of returning, if possible, my remains, having them interred, and using it towards their goal of ridding the world of evil.

Avylynn

The Morninglord's chosen daughter. Bane of darkness and injustice, follower of the Temple of Light in Whillip, the prime sanctuary of fellowship and healing for the righteous.
