I, Plineas Stormantle, Being of somewhat
Sound mind and Body, write This Will Should
I Perish during my adventures with The Xterminators.

Upon my demise, Please Send my World's
Possessions To my Parents in Everaska, Please Tell
Them That I did my Best to make Them
Proud of me.

Please release Labraen into The Wild, So That
he may Live the Rest of his Life in Nature
Looking upon The Stars That he is Named After.
