XXX	n/a	Temple	The Beacon	The Beacon / Temple On a ridge just east of the city is a large church complex named 'The Beacon' - The church was founded, funded and in large part constructed by a former adventurer named Quinton Trypp. Quinton is seldom present at the church as he spends much of his time at other churches throughout the realms. This church caters to worshipers of Pelor/Lathander/Amaunator (all aspects of the same deity). The priest who runs the church on a day to day basis is Monsignor Salvador Arens (a Human male of moderate level (15?). He's an excellent administrator, but his spell casting and healing skills aren't the best. The church is often used as a recruitment center for various followers of Pelor/Lathander/Amaunator. Clerics, priests and various worshippers are often sent out into the world as 'Beacons of the almighty'.
