

Welcome to the city of Willip (of the nation of Sembia) - Sister city to that of Whillip (in the nation of Furyondy) on a continent far to the west of Ohnest. The map/buildings shown here are not set to an exact scale. Not all of the city is shown, but that which is not consists primarily of farms and personal residences. This map was produced by/for Bidvar Minitin owner and proprietor of 'Where Now'. Possession of this map by anyone other than Bidvar constitutes a criminal offense inside the boundaries of Sembia.
